WALL MOUNT

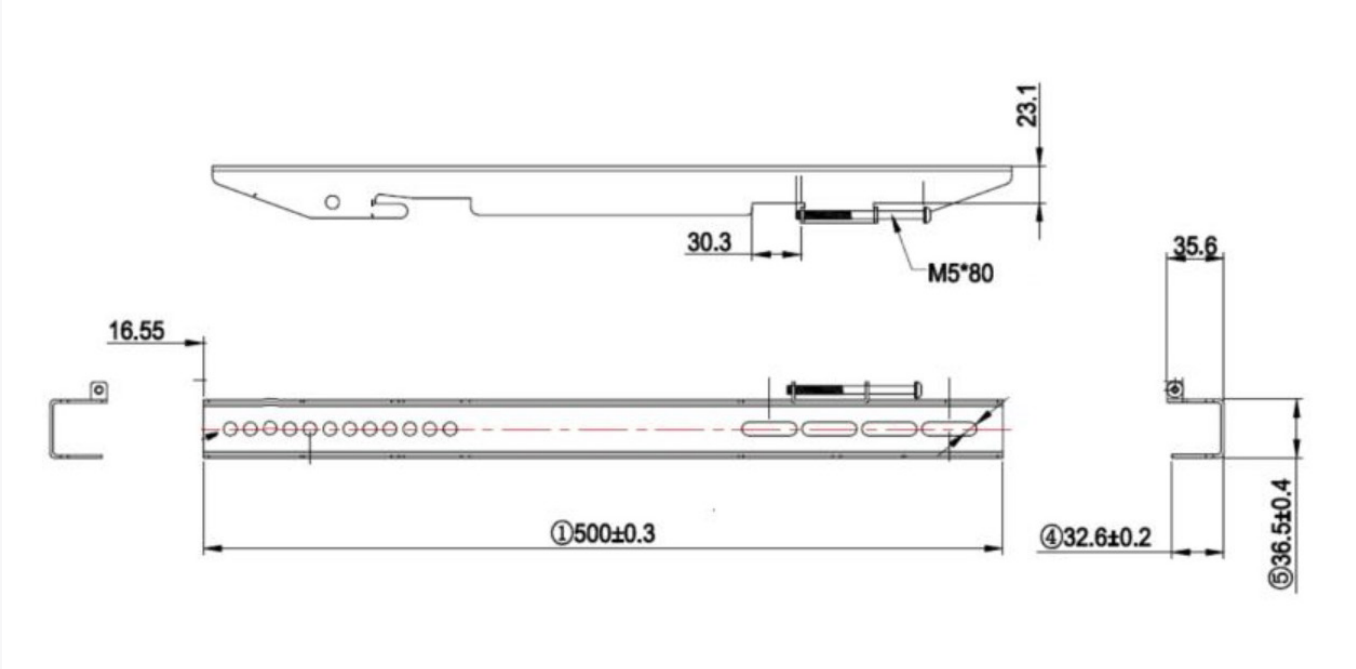

STURDY SOLUTIONS FOR DAILY USE

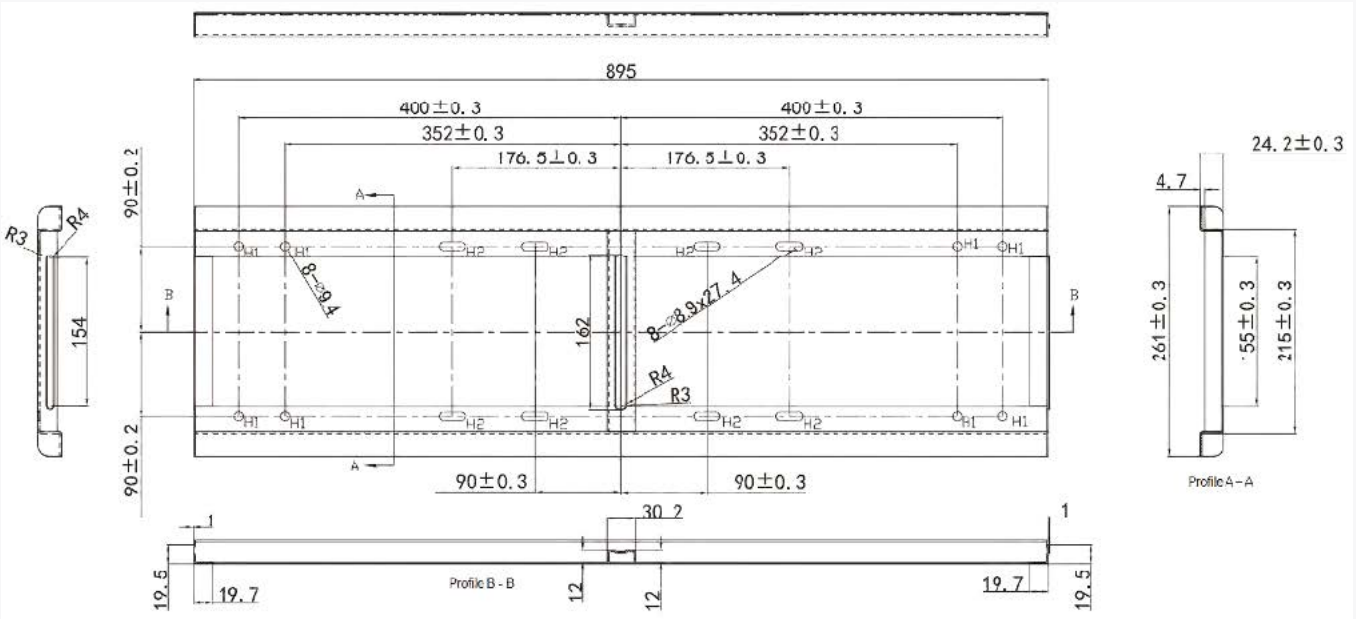

Mount your display to the front of your room with a wall mount. These sturdy solutions help keep your panel secure and in place during daily use. Newline's wall mount solutions make installation a breeze. The compact designs make it easy to mount the panel as well as adjust the height or tilt of the display. This lower profile wall mount gives the Newline wall mount unit a stylish appearance, while maintaining the strength of its durable dual steel frames. The open wall plate provides space to pass cables. And the easy can be moved by hand, no need to use tools.
